Dear Cisco Networking Academy SPOCs and Instructors,

Thank you for your continued support in driving the **Virtual Internship Program 2026**, and congratulations to your students who have been shortlisted for this year's completion of the program, eligible students have already begun their assigned Cisco Networking Academy courses.

As technology continues to evolve rapidly, we are pleased to invite you and your shortlisted students to **Enabling Skills for the Future**, an exclusive industry session featuring Cisco leaders and industry practitioners.

This session is exclusively for shortlisted students participating in the Virtual Internship Program 2026. **Please register here**. Registration is mandatory to attend the session.

We encourage participants to join **15 minutes before the session begins** to ensure they don't miss the exciting lineup of discussions. Early participants will also have opportunity to take part in a live interactive Q&A with our speakers during the session.

Attendance for this session is mandatory for all shortlisted students and is a requirement for successful completion of the Virtual Internship Program 2026

Thank you, and we look forward to your participation.
